**Affected Medium:** 03 - soil

**Near. Occupied Bldg:**

**Type of Incident:** Vehicle Accident

**Release Contained:** Yes

**Reported to NRC:** No

**Contaminant:** Diesel Fuel

**Volume of Release:** 40 gallons

**Duration of Release:** 5 minutes

**Agriculture Related:** No

**EPA Extremely  
Hazardous Substance:** No

**Number of Fatalities:** 0

**Number of Injuries:** 0

**Cause of Incident:**

The driver struck road debris.

**Risk Evaluation:**

n/a

**Potential Env. Impacts:**

The diesel fuel affected impervious asphalt parking lot and nearby soils. The soils are being excavated by Strata Corporation. The contaminated soils will be excavated at Clean Harbors

**Action Taken/Planned:**

Strata Corporation responded applied absorbent material over the affected parking lot. The contaminated soils are being excavated soils.

**Wastes Disposal Location:**

Clean Harbors, Sawyer, ND

**Other Agencies Involved:**

NDDDES, State Fire Marshal, State Highway Patrol, Local Fire Department, Local Law Enforcement, Local Emergency Manager

## **Updates**

---

**Date:** 7/13/2016      **Status:** Reviewed - Follow-up Required

**Author:** DeVries, Taylor

**Notes:**

Further follow-up needed.

**Date:** 7/14/2016      **Status:** Inspection

**Author:** DeVries, Taylor

**Notes:**

Arrived on site at 1420. This release occurred at the rest stop on I-94 eastbound headed to Fargo from Bismarck. The buildings have green roofs. The diesel leaked up the turn-off ramp and continued to the truck parking lot. The spill is on the side closest to the highway and covers about 15 by 15 feet of the parking lot. There was also some diesel that ran down to the edge of the parking lot into the grass. The grass has been scraped up there. I did not observe nor smell diesel fuel in the scraped-up area. The diesel didn't look like it ran into the ditch. The spill in the parking lot has Floor Dry over it, and the smell is evident. Further follow-up needed on Floor Dry and regrowth of grass. Photos of the spill can be found in the report folder.
